**GOVERNMENT OF NAGALAND
FINANCE DEPARTMENT
ESTABLISHMENT BRANCH & ROP CELL**

NOTIFICATION

Dated: 16th December, 2017

No. FIN/ESTT-2/11/VII CPC/16:: In exercise of powers conferred by the proviso to Article 309 of the Constitution of India, the Governor of Nagaland is pleased to make the following revised Rules in supersession of the earlier notification No. FIN/ESTT-2/11/VII CPC/16 dated 11.04.2017.

RULES

1. Short title and commencement:-

- (a) These rules shall be called the "Nagaland Services (Revision of Pay) Rules, 2017.
- (b) These Rules shall be deemed to have come into force on the forenoon of 1st June, 2017 only for the purpose of notional pay fixation in the revised pay structure, and for the purpose of fixation of monthly pension in respect of employees retiring from service on or after 1st June 2017. Actual payment on the basis of the revised pay structure would be effective from 1st January 2018 and no arrears of salary or pension shall be payable for the period prior to 1st January 2018.
- (c) Actual cash payment on account of revision of pay shall be payable with effect from the salary of March 2020 payable in the month of April 2020. Except for pensions and salaries of employees covered under the National Pension System (NPS), the increased salary on account of revision of pay for the period 1st January, 2018 to 29th February, 2020 shall be impounded to the GPF accounts of the employees concerned. In respect of those employees who are due to retire during the period from 01.01.2018 to 29.02.2020, the impounding to their GPF account shall be restricted only up to the month the employee concerned continue to contribute to his/her GPF.
- (d) After notional fixation of revised pay on 1st June 2017, a Government servant shall be entitled to annual increment (notionally) on 1st December 2017, subject to the condition that he/she has completed service of not less than six months on that date in the revised pay structure.

2. Applicability of the Rules:-

- (a) These Rules shall apply to all regular employees appointed to services or posts in connection with affairs of the State of Nagaland, and which are under the rule making powers of the Governor of Nagaland.
- (b) These Rules shall not be applicable to-
 - (i) All categories of work-charged employees;
 - (ii) Persons paid out of contingencies;
 - (iii) Persons employed on contract;
 - (iv) Persons re-employed in Government service after retirement; and
 - (v) Any other class or category of persons whom the Governor may, by order, specifically exclude from the operation of all or any provisions contained in these Rules.

Persons paid out of contingencies mentioned under Rule 2(b)(ii) means- persons appointed without the existence of corresponding sanctioned posts, irrespective of whether their pay are being booked as 'salaries' or 'wages' and persons appointed on substitute basis against leave/training vacancies or any type of temporary vacancies.

- (c) The department-wise list of post with designation indicating revised pay level in the pay matrix corresponding to existing pay band and grade pay shall be notified separately.

3. Definitions:-

In these Rules, unless the context otherwise requires:

- (i) "Existing Basic Pay" means pay drawn in the prescribed existing pay in the pay band plus grade pay, including stagnation increment(s), but does not include any other type of pay like 'special pay' etc.
- (ii) "Existing pay band and grade pay" in relation to a Government servant means the present pay band and grade pay applicable to the post held by the Government servant (or, as the case may be, personal pay band and grade pay applicable to him) as on the 1st June 2017 whether in a substantive or officiating capacity.

Explanation- In the case of a Government servant, who was on the 1st day of June, 2017 on deputation out of India or on leave or on foreign service, or would have on that date officiated in one or more lower posts but for his officiating in a higher post, "existing pay band and grade pay" includes the pay band and grade pay applicable to the post which he would have held but for his being on deputation out of India or on leave, or on foreign service or, as the case may be, but for his officiating in a higher post.

- (iii) "Pay Matrix" is being introduced for revision of pay of the State Government employees as per **Table-I**. The Pay Level in the pay matrix replaces the existing pay band and grade pay. Revised Pay Level in the pay matrix corresponding to the existing pay band and grade pay are indicated at **Table-III**.

The pay matrix consists of two dimensions, (1) horizontal range and (2) vertical range. The horizontal range comprises of levels where each level corresponds to a functional role in the hierarchy and has been assigned the numbers. There are 20 levels in the new pay matrix. Each level corresponds to the pre-revised pay band and grade pay applicable to different posts. The vertical range for each level denotes pay progression within that level by way of annual increment @ 3 percent (rounded to nearest 100). These are termed as span under each level.

- (iv) "Basic Pay" in the revised pay matrix means the pay drawn against each level as indicated in table-I but does not include any other type of pay like special pay, etc.

4. Relaxation of Rules:-

Where the Governor of Nagaland is satisfied that the operation of any of these Rules causes undue hardship in any particular case, he may by order issued from the Finance Department of the Government of Nagaland, dispense with or relax the requirement of that Rule to such extent and subject to such conditions as he may consider necessary for dealing with the case in a just and equitable manner.

5. Power of interpretation:-

If any question arises relating to the interpretation of these Rules, it shall be referred to the Finance Department of the Government of Nagaland whose decision shall be final.

6. Applicability of the new pay matrix:-

- (a) All Government servants, who are in service on 01.06.2017, and those who enter service on or after 01.06.2017 shall come under the purview of these Rules subject to the provision made hereinafter.
- (b) Any Government servant may, however, continue to draw pay in the existing pay band and grade pay at his/her option until he/she vacates his/her post or ceases to draw pay in that scale.
- (c) All such Government servant who opts to continue to draw pay in the existing pay band and grade pay shall exercise option in writing within thirty days from the date of publication of these Rules. Those who do not exercise any option within the prescribed period shall be deemed to have opted for the revised pay under these Rules.
- (d) In case of a Government servant who is on leave or on deputation or on Foreign Service or under suspension on the date of publication of these Rules, the period of thirty days shall be counted from the date of his/her return to duty under the Government.
- (e) The option once exercised shall be final and cannot be modified at any subsequent date.
- (f) The form to be used for exercising option is at **Annexure-I**.

7. Classification of posts:-

In the new pay matrix, level will determine the status of a post. Based on level, the classification of posts shall be as under:-

Sl. No.	Classification of posts	Classification in terms of level
1	Group-A	Officers drawing pay under level 13 to level 20
2	Group-B	Officers drawing pay under level 11 and level 12.
3	Group-C	Officers drawing pay under level 3 to level 10.
4	Group-D	Officers drawing pay under level 1 to level 2A.

8. Fixation of initial pay in the new pay matrix, fitment formula etc:

(a) Fitment formula:

A fitment factor of 2.57 is adopted for fitment of initial pay of each existing employee in the new pay matrix.

(b) Entry Pay

The entry pay in the new pay matrix (**Table-I**) for each level has been worked out by applying the same formula as adopted by the Central Government. To arrive at the entry pay under the new pay structure for level 1 to 9, the existing entry pay (under ROP Rules, 2010) as indicated in the fitment table for each pay band and grade pay has been multiplied by the index of 2.57. The figure so arrived at is rounded to nearest 100 (₹. 50 and above rounded to next 100 and below ₹ 50 ignored) to find out the entry pay (starting pay) under each level. For level 10 onwards, keeping in view the increase in role, responsibility and accountability in the career hierarchy, the index of 2.57 has been enhanced by way of

rationalisation as has been done by the 7th CPC. The index of rationalisation for level 10 to 12 is 2.62, for level 13 to 19 is 2.67 and for level 20 is 2.72. A statement showing the entry pay in each level corresponding to the pre-revised pay band and grade pay is placed at Table-II.

(c) Pay fixation in the new pay structure:

The fitment of initial pay of each existing employee in the new pay matrix will be done by multiplying his/her basic pay (pay in the pay band plus grade pay) on the date of adoption of the new pay structure by the fitment factor of 2.57. The figure so arrived at is to be located in the new pay matrix in the level that corresponds to the employee's grade pay on the date of adoption. If the identical figure is not available in the given level, the next higher figure closest to it would be the new pay of the concerned employee. If the amount so arrived at happens to be less than the entry pay under the relevant level, the pay shall be fixed at the entry pay.

Fixation of pay in the new pay matrix shall involve following steps:-

Step 1:- Identify Basic Pay (pay in the pay band plus grade pay) drawn by an employee as on the date of implementation. This may be taken as 'A'.

Step 2:- Multiply 'A' with 2.57, round off to the nearest rupee and obtain 'B'

Step 3:- The figure so arrived at, i.e., 'B' or the next higher figure closest to it in the assigned level to his/her grade pay, will be the new pay in the pay matrix. In case the value of 'B' is less than the starting pay of the level, then the pay will be equal to the starting pay of that level. Illustration of fixation of pay in the new pay structure are indicated at

Annexure-II.

Fixation of pay of existing employees shall be done in the Initial Pay Statement (IPS) with reference to the pay matrix at Table-I. Format for Initial Pay Statement (IPS) is placed at

Annexure-III.

(d) Entry pay for the new recruits/ direct recruits:

In the new pay matrix, any new recruit shall start drawing pay at the minimum pay corresponding to the level to which recruitment is made, which will be the first cell of each level. For example, a person entering service as a direct recruit at level 3 will get a pay of ₹ 18000. Another person entering service at level 6 will get ₹ 25300 and so on.

(e) Fixation of pay in case of promotees.

For those Government servants who have been promoted from the previous level, the fixation of pay in the new level will depend on the pay they were already drawing in the previous level. The fixation will involve the following steps:-

Step 1:- One notional increment shall be given in the existing level and pay shall be worked out in the appropriate cell in that level.

Step 2:- Locate the equal or next higher cell in the level to which promotion is given and pay shall be fixed in that cell.

If the amount worked out under step 1 happens to be less than the starting pay of the level to which promotion is given, then the pay will be equal to the starting pay of that level.

Example for fixation of pay in case of promotion are indicated at **Annexure-IV.**

9. Anti-bunching measure.

In case where, while fixing pay in the new pay structure the pay of Government employees drawing pay at more than two consecutive stages in an existing scale gets bunched, that is to say, get fixed in the new pay structure at the same stage, then for every

two stages so bunched benefit of one increment @ 3 percent shall be given and pay fixed in the subsequent cell in the pay matrix.

10. Annual increment.

The rate of annual increment shall be retained at 3 percent. The annual increment shall be given on 1st December every year. To be eligible for grant of increment one has to be in the new pay matrix for a period of 6 months or more as on 1st December of the relevant year.

11. Modified Assured Career Progression (MACP):

The existing Modified Assured Career Progression (MACP) shall be continued. In the new pay matrix, the employee will move to the immediate next level in the hierarchy. Fixation of pay will follow the same principle as that for a regular promotion in the pay matrix. MACP will continue to be applicable to all levels up to level 20. However, the benchmark for grant of MACP shall be enhanced from 'Good' to 'Very Good'.

12. Dearness Allowance:

The pay fitment formula is the same that has been recommended by the 7th CPC which neutralises Dearness Allowance as on 1/1/2016, the day on which 7th CPC recommendation came into effect. As such, the rate of Dearness Allowance to be sanctioned for the State Government employees drawing pay under the new pay structure/pay matrix shall be the same as available to the Central Government employees drawing pay under the 7th CPC recommendations.

13. Instruction regarding fixation of pay, payment of arrears etc.

In order to ensure correct and systematic fixation of pay in the revised Pay Level in the pay matrix, a format (Initial Pay Statement) is placed at Annexure-III and illustrations on fixation of pay in the new pay structure are also placed at Annexure-II.

The sequence of action to be taken for drawal of pay in the revised pay structure will be as follows:-

- (1) The Head of Office shall prepare the Initial Pay Statement (IPS) in prescribed form (in triplicate) indicating fixation of pay of those Non-Gazetted employees under him who have opted for the revised pay structure and also in respect of those Gazetted Officers whose Pay Slip are prepared departmentally. Table-I (pay matrix) may be used as a guide for this purpose.
- (2) One copy of the Initial Pay Statement (IPS) shall be pasted in the Service Book of the Government servant concerned and another copy shall be made available to the concerned Accounts Officer for post check.
- (3) Prepare the pay bill/arrear pay bill in the revised pay structure as per the IPS and enclose a copy of the IPS with the respective pay bill for drawal. The amount as due and admissible, w.e.f. 01.01.2018 onwards under the revised pay structure shall be drawn and paid subject to following procedures:-
 - (i) From the first salary bill drawn under the revised pay structure in respect of any employee covered under the Old Pension Rules, the net increased amount in salary due to revision of pay and allowances shall be worked out and this amount rounded to nearest hundred shall be impounded to the GPF account of the concerned employee by way of deduction from his/her salary bill. To work out the net increase in salary the gross amount of salary of the concerned employee for the previous month drawn in the pre-revised scale may be deducted from the gross amount of salary due as per the revised pay bill.

- (ii) With a view to simplify the procedure, the amount thus worked out shall be rounded to nearest hundred and this amount will be deducted from the revised pay bill of every subsequent months for credit to GPF of the employee concerned for the entire period during which the increase due to revision of pay shall be required to be impounded to GPF.
 - (iii) For the purpose of ensuring clarity separate salary bills shall be prepared for those employees for whom revised salary has been drawn earlier. Likewise, separate salary bill shall be prepared for those whose revised salary is being drawn for the first time.
- (4) Thereafter, the Service Books together with the copies of IPS in respect of all such employees shall be passed on to the concerned Accounts Officer for post check.
 - (5) In respect of Gazetted Officers whose pay slips are issued by Accountant General, Nagaland, the fixation of pay shall be done by the Accountant General and their pay/arrears of pay in the revised pay structure shall be drawn on the basis of authority to be issued by the Accountant General, Nagaland. For credit of the amount of net increased in salary due to revision of pay into their respective GPF account, the same procedure as mentioned above shall be followed.
 - (6) An undertaking shall also be obtained in writing from every employee at the time of drawal of first pay bill in revised pay to the effect that any excess payment that may be found to have been made as a result of incorrect fixation of pay in the revised pay structure will be recovered from his/her pay either in one lump sum or in monthly instalments not exceeding three as may be ordered by the Head of Department concerned. Specimen form of the Undertaking is enclosed (**Form-I**).

Note-1: where the increment of a Government servant falls on 1st day of June, 2017, he/she shall first be given the increment in the existing scale. Thereafter his/her pay shall be fixed in the revised pay structure under these Rules.

Note-2: where a Government servant is on leave on the 1st day of January, 2018 he/she shall become entitled to pay in the revised pay structure from the date he/she joins duty. 15. Pension and other retirement benefits.

- (A) There are two main categories of pensioners in the State. One drawing pension under the Old Pension Rules and the other who are covered by the National Pension System (NPS) which had been introduced in the State w.e.f. 1/1/2010. The revised rates of pension and pensionary benefits covered by these Rules are applicable only for those drawing pension under the Old Pension Rules except where the Rules provides otherwise.
- (B) **Rates of Pension and Family Pension**
 - (a) The existing rates for calculation of pension and family pension shall remain unchanged. (F) Monthly Medical Allowance: The rate of monthly medical allowance for pensioners/family pensioners is raised from the existing rate of ₹ 400/- p.m. to ₹ 800/- p.m.

(G) Additional pension on attaining prescribed age:

(i) The existing rates as admissible under the Nagaland Service (ROP) Rules, 2010 shall continue without any change. The rates are indicated below:

Age of pensioner/family pensioner	Additional quantum of pension
From 80 years to less than 85 years	20% of revised basic pension/family pension
From 85 years to less than 90 years	30% of revised basic pension/family pension
From 90 years to less than 95 years	40% of revised basic pension/family pension
From 95 years to less than 100 years	50% of revised basic pension/family pension
From 100 years or more	100% of revised basic pension/family pension

(ii) The amount of additional pension will be shown distinctly in the Pension Payment Order. For example, in case where a pensioner is more than 80 years of age and his/her revised basic pension is ₹10000 p.m., the pension will be shown as (a) Basic pension= ₹10,000 and (b) Additional pension = ₹2,000 p.m. The pension on his /her attaining the age of 85 years will be shown as (a) Basic pension=₹10,000 and (b) Additional pension=₹3,000 p.m.

(iii) The pension authorizing authority (Accountant General, Nagaland) shall ensure that the date of birth and the age of a pensioner, as well as of the eligible family pensioner(s), is invariably indicated in the Pension Payment Order to facilitate payment of additional pension by the Pension Disbursing Authority as soon as it becomes due.

(iv) Wherever the age of pensioner/family pensioner is available in the Pension Payment Order, the additional pension/family pension in terms of (i) above may be paid by the Pension Disbursing Authority immediately without any further authorisation from the Accountant General, Nagaland.

(v) In cases where the age of the pensioner/family pensioner is not available in the Pension Payment Order, the pensioner/family pensioner concerned will submit the relevant information in **Form-II** which will be forwarded to the Accountant General, Nagaland, by the Pension Disbursing Authority concerned, after due verification. Additional pension/family pension in such cases shall be paid only on receipt of the order of the Accountant General, Nagaland.

Note:- (1) Dearness Relief shall be admissible on the quantum of additional pension also and the rate of Dearness Relief payable on the portion of additional pension shall be at the same rate as is admissible on the basic pension from time to time.

(2) The date of commencement of additional pension shall be determined as under:

(i) If the pensioner/family pensioner attains the prescribed age on the 1st day of a month, the additional pension shall be payable from the 1st day of that month.

(ii) If the pensioner/family pensioner attains the prescribed age on any day other than the 1st day of a month, the additional pension shall be payable from the 1st day of the following month.

(H) **Dearness Relief to pensioners/family pensioners:** Since the dearness relief sanctioned up to 1/1/2016 has been fully neutralised in the revised pension/family pension as in case of 7th CPC recommendation, the rates of dearness relief to be sanctioned on the revised pension/family pension for State Government pensioners/family pensioners shall be at par with the Central Government pensioner/family pensioner drawing pension/family pension under 7th CPC recommendations.

(I) **Revision of pension/family pension for existing pensioners/family pensioners**

The revision of pension/family pension of all existing State Government pensioners who retired/ died prior to 1/6/2017 shall be done notionally on 1/6/2017 by adopting the following two formulations:-

(i) Under the first formulation, the pay of the pensioner shall be notionally fixed in the pay matrix in the level corresponding to the pay in the pay scale/ pay band and grade pay at which they retired/ died. This would be done by notional pay fixation under each intervening Pay Revision based on the formula for revision of pay as prescribed in each relevant ROP Rules. 50% of the notional pay as on 1/6/2017 shall be the notional revised pension and 30% of this notional pay shall be the notional revised family pension w.e.f. 1/6/2017. In case of family pensioners who were entitled to family pension at enhanced rate, the revised notional family pension shall be 50% of the notional pay as on 1/6/2017 and shall be payable till the period upto which family pension at enhanced rate is admissible as per Rules. The amount of revised notional pension/family pension so arrived at shall be rounded off to next higher rupee.

(ii) Under the second formulation, the existing pension/family pension as had been fixed under the Nagaland Services (ROP) Rules, 2010 shall be multiplied by a multiplying factor of 2.57 to arrive at an alternate value for the revised pension/family pension. The term existing pension/family pension shall mean the basic pension before commutation. Hence, the commuted portion of pension shall be deducted from the revised pension/family pension to arrive at the actual amount payable.

In case of family pensioners entitled to family pension at enhanced rate, the same shall be payable till the period up to which family pension at enhanced rate is admissible as per Rules.

- (iii) The higher of the two formulations, that is, the one at sub para-(i) above or the one worked out as per sub-para (ii) above shall be the revised pension/family pension for pre- 1/6/2017 pensioners/family pensioners.
 - (iv) The cash benefits of the revised pension/family pension shall, however be payable only w.e.f. 1/1/2018 and no arrears for the period 1/6/2017 to 31/12/2017 shall be admissible.
 - (v) Since calculation of revised pension under the formulation as per sub-para (i) is likely to take some time, at the first instance, the pension/family pension may be revised as per sub-para (ii) and payments may be authorised provisionally pending finalisation after working out the revised pension/family pension based on the first formulation at a later stage.
 - (vi) All Pension Disbursing Authority including Public Sector Banks handling disbursement of pension of the Government of Nagaland pensioners/family pensioners are authorized to pay the revised pension/family pension to the pre-1.6.2017 pensioner/family pensioners based on the second formulation indicated at Rule 15 (I) (ii) above with effect from 01.01.2018 on provisional basis. The revised pension/family pension thus worked out shall be purely provisional pending finalisation after working out the revised pension/family pension by the Accountant General, Nagaland based on the first formulation indicated at Rule 15 (I) (i) above at a later stage. The detailed instructions in regards to the revision of pension/family pension in terms of the first formulation mentioned above shall be notified separately.
- (J) Procedure to be followed in respect of person who retired/died on or after 01.06.2017 but before 01.01.2018:**
- (i) Pension/family pension would be worked out and paid for the period up to 31.12.2017 under the pre-revised pay structure.
 - (ii) Thereafter, pay of the Government servant shall be notionally fixed under these Rules and regulated up to the date of retirement/death, and entitlement of pension/family pension under these Rules shall be worked out.
 - (iii) Pension/family pension worked out under (ii) above will however become payable with effect from 01.01.2018. No arrears for the period prior to 01.01.2018 shall be admissible.
 - (iv) Death-cum-Retirement Gratuity will be payable based on the pre-revised rates i.e. based on the pre-revised pay actually drawn by the Government servant; and no revision of the same under these Rules shall be made.
 - (v) Leave encashment will also be admissible only at the pre-revised rates i.e. based on the pre-revised pay actually drawn by the Government servant.

(vi) Commutation of pension will be admissible at (up to) 40% of pension admissible (and payable in cash) as on 01.01.2018 under these Rules. However, in cases where commutation value has already been paid /authorized at the pre-revised rates, the difference between the amount already paid/authorized and the amount now admissible under the revised Rules shall be paid.

16. Cases not covered by these Rules.

Cases not covered by these Rules shall be decided on their merit by the Government of Nagaland in the Finance Department.

17. Repeal: The Nagaland Services (Revision of Pay) Rules, 2010 will stand repealed with effect from the date the Nagaland Services (Revision of Pay) Rules, 2017 comes into effect except in those cases where option has been exercised to continue to draw pay in the existing scale.
