O.M.No. A/Misc (2008)-temp-1236
Dated: 14 .06.2018

Subject: Rationalization of pension structure for pre- 01.01.2016 Pensioners/ Family Pensioners.

Consequent to the rationalization of pension structure of pre-01.01.2016 pensioners/family pensioners vide Government Order No. 222-F of 2018 dated 24.04.2018, the rationalized pension/family pension structure was ordered to be calculated by following two formulations & then fixed under the formulation as is most beneficial to the pensioner/family pensioner:

Formulation-I: The existing pension/family pension was to be multiplied by factor 2.57 to arrive at the value of revised Pension/revised Family Pension.

Formulation-II: In respect of existing pensioners/ family pensioners, pension was to be revised by notionally fixing their pay in the pay matrix in the level corresponding to the Pay Scale/ Pay Band & Grade Pay at which they retired/or died. This was to be done by notional pay fixation under each intervening pay revisions based on the formulae for revisions of pay. While fixing pay on notional basis, the pay fixation formulae approved by the State Government and other relevant instructions on the subject as were in force at the relevant time were to be strictly followed. With effect from 01.01.2016, 50% of notional pay has to be the revised full pension for full qualifying service, and 30% of this notional pay has to be the revised family pension. In respect of family pensioners who were entitled to family pension at enhanced rate, the revised family pension at enhanced rate has to be 50% of notional pay arrived at on 01-01-2016 and shall be payable till the period upto which family pension at enhanced rate is admissible under rules.

2. However, for revising the pension/family pension as per **Formulation-II**, the formal pension revision authorization is to be issued by the Accountant General (A&E).

3. Now, therefore, in order to enable the Accountant General (A&E), J&K to settle the authorization/revision of the pension/family
